Opening Remarks

8th Army Well-Being Issues Update

Permissive TDY for College Selection

Issue. AR 600-8-10, Leave and Entitlements, does not entitle military sponsors Permissive TDY for travel time from OCONUS to CONUS to visit prospective colleges with their high school age children. Personal contact and student/sponsor visitation is hindered by the time required to travel from OCONUS to CONUS.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. Authorize sufficient amount of permissive TDY, in conjunction with leave, to account for the distance between OCONUS and CONUS.

Status.

- A** ➤ Submitted DA Form 2028 to change to AR 600-8-10.
- Request = 3 days (which cover movement from OCONUS to CONUS and return). The Soldier must be on leave to cover the time from the West coast to the college and back to the West coast.
- Directly contributes to efforts to improve life in Korea and stabilizing the force.
- We included cost estimates based off the population in Korea. →

Family Housing 1 of 3

Construction and Build-To-Lease – Korea (BTL-K).

Issue. BTL planned to support increase in Army accompanied tours in Korea to 3000 total.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. KORO Plan is consistent with the Army’s Family Housing Master Plan (FEB 04) which identifies a total of 3,000 AFH units in Korea.

Status. Due to HQ DA budget cuts, one year slippage at Walker, Humphreys (500 only) and Carroll since last briefed Oct 04. Also awaiting decision on “extended land use issue” being worked at USFK.

A

Installation	Units	Occupancy
Walker	300	July 2007
Humphreys	1000	July 2008
Carroll	360	July 2009
Humphreys	500	July 2009
Humphreys	300	July 2010

Resource Impact. AFHO funding for BTL AFH has been cut FY06 - FY11.

2.4.1.1 (cont.)

Family Housing 2 of 3

KORO Rental Housing Program (KRHP) – AFH and UPH.

Issue. Landlords off post are setting rent based on maximum BAH/OHA limits. Soldiers are not receiving quality housing for the amount of their housing allowance.

Origin. Eighth Army AFAP Conference - 13-14 MAY 02

End State. Provide adequate housing which is equal in standards to barracks constructed with MCA or Host Nation Funded.

Status.

A

- Three Phases completed to award AFH with BTL
- Fourth Phase to award further BTL for UPH continues
- **STAFF RECOMMENDATION: Delete this issue as it is covered by Issue 2.4.2.1 Unaccompanied Personnel Housing and Issue 2.4.1.1 Family Housing BLT and Off Post Charges.**

Family Housing 3 of 3

Off Post Housing Charges.

Issue. There is a perception that landlords charge Army families higher rent than Korean renters. And that rent is artificially raised to the level of OHA. Army families feel that this results in higher rental costs for those families and the US government via OHA payments. Army families feel that the government spending excess money on housing results in less money for other Army community programs.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. Ensure rents charged are valid and educate families on: Future plans for acquiring leased housing and utilization of on post housing for Army families; The differences between the entirely different Korean rental system as compared to typical US stateside rentals; The fair market value evaluations used by Housing to determine the appropriate cost of an off post home.

Status.

- G** ➤ Prepare briefing for housing offices to better inform incoming personnel to Korea. (Brief is in final review at Areas I-IV; when complete will post on Army Onestop Web site and SITES).
- Ensure housing offices continue to be trained on determination of fair market value of housing. (Included in ACSIM-funded training in FY 05).

Resource Impact. TBD.

2.4.2.1

Issue. Korea for barracks construction and renovation program.

Origin. Eighth Army AFAP Conference - 13-14 MAY 02

End State. Provide a quality place to live for eligible military personnel.

Status.

- G** ➤ Area I Facelifts (11 Complete 5 In-progress)
- Area III Facelifts (9 In-progress)
- Barracks Upgrade Program – Barracks Renovations (4 Complete 6 In-progress)
- Barracks Upgrade Program – SEQ & UOQ Renovations (1 Complete 2 In-progress)

- Barracks Triage Program new to DA in FY05; current focus on CONUS--KORO expects some funding later in year/has developed prioritized list
- Ongoing MCA Construction (4 In-progress)
- Planned MCA Construction (10 Planned FY06-FY10)
- Planned ROKFC Construction (11 Planned FY06-FY09)

3.7.3.2

Sponsorship

Issue. Implementation of Sponsorship Program at Command Level. There is a lack of command emphasis on sponsorship. Sponsors are not being consistently and appropriately assigned to incoming personnel.

Origin. Eighth Army AFAP Conference - 13-14 MAY 02

End State. Minimize stress & uncertainty associated with relocation through the execution of quality Korea-wide sponsorship program.

Metric
Sponsored = 20.7%
<i>For FEB 05</i>

★ Sponsorship % within MSCs range from 88.6% to 2.4%

Status.

Command Sponsorship

Issue. Increase Korea CSP to 3000 Army positions.

Origin. Eighth Army AFAP Conference – 13-14 MAY 02.

End State. CSP levels commensurate with other OCONUS locations.

Status.

- A** ➤ Planning tied into TMP-A, Setting the Force plans & Transformation.
- Continue research & refinement of CSP billets, approved joint domicile positions, dual military personnel & civilian personnel - Identify “users”.
- Coordinate with KORO on future construction.
- Zero growth until infrastructure increases.

Language Barriers in Customer Service Areas

Issue. Korean Nationals working in customer service areas, (I.e. Post Exchange, DPW, Housing, DECA, Transportation, MWR activities) do not communicate effectively in English. No standard testing for verbal proficiency exists. The lack of oral communication skills, results in poor service.

Origin. Eighth Army AFAP Conference - 12-13 MAY 03

End State. Implement mandatory verbal English proficiency training on an ongoing basis.

Status.

G

- Activities are urged to take advantage of English improvement options (e.g. Tuition assistance, in-house training and/or training by contract)
- MWR, DECA and others have improved customer service using the updated USFK standards/guidance.
- Within 30 days AAFES hopes to ratify an agreement with the union which will:
 - Raise the minimum English test score for hiring by 10 points.
 - Include an oral as well as written test.
 - Require an English test with higher English requirements for any promotion.
 - Continue to conduct English training during Work hours for all employees.
- These will improve future customer support.

2.3.2.6

Civilian Medical Care

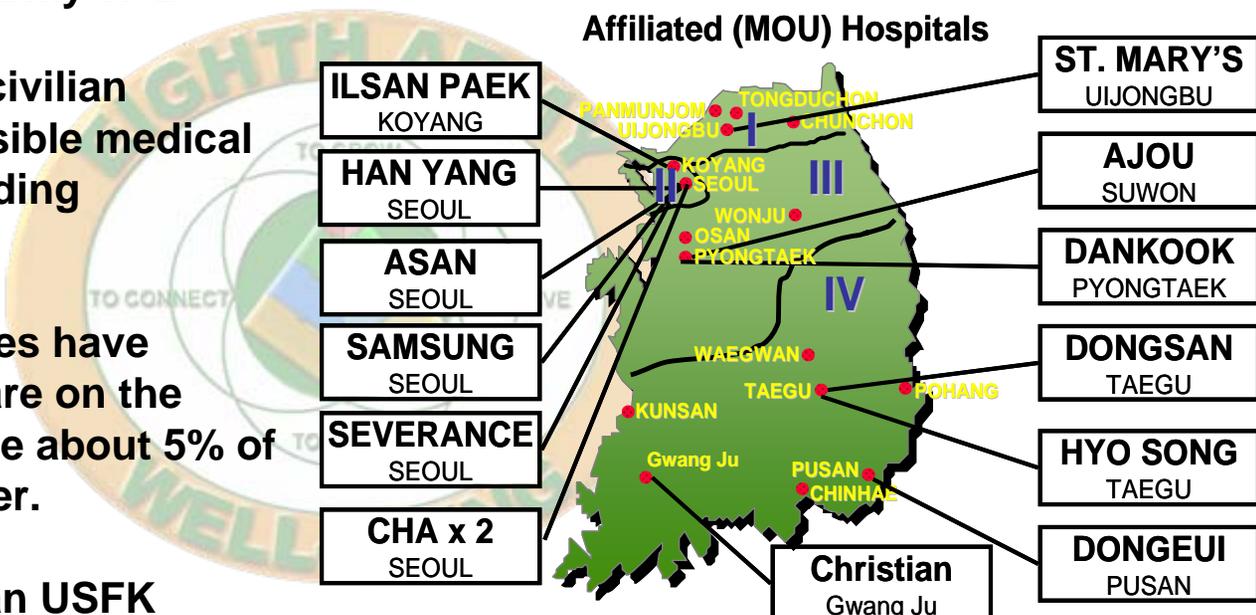

Issue. Improve civilian access to primary care in 18th MEDCOM facilities throughout the peninsula.

Origin. Break out from 8th Army W-B Issue 2.3.2.5 – 27 JUN 03

End State. Provide eligible civilian personnel with easily accessible medical treatment equaling or exceeding professional benchmarks.

Status.

- A** ➤ U.S civilian employees have access to primary care on the peninsula and require about 5% of total visits per quarter.
- SITES updated
- Non AD/ADFM civilian USFK population = 12,000.
- 3 new KGS authorizations diverted to Dental.

Moved to Monitoring 29 OCT 04

2.3.3.1

OCONUS Retiree Dental Care

Issue. Retirees are unable to receive routine dental services at overseas military installations. Federally sponsored dental insurance is not available outside of U.S. and its territories and possessions. Retirees and families therefore, must absorb 100% of the dental cost.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. Expand TRICARE Retiree Dental Plan (TRDP) to overseas locations.

Status.

- R** ➤ MAR 02: AMC submitted primary dental care for Army families and retirees at no cost to DA AFAP - delegates did not prioritize the issue but developed Issue #509, "TRICARE Dental Benefit Enhancement" which seeks to reduce cost shares and increase the maximum annual dental benefit for both active duty and retirees. Issue remains active.
- NOV 03: USAREUR submitted issue for consideration to DA AFAP to create a separate OCONUS retiree dental plan -- delegates did not prioritize the issue - cost prohibitive.
- NOV 03: Eighth Army submitted issue for increased dental care for non-active duty by rotating reserve units OCONUS, Dental Readiness checks before soldiers' PCS and extension of the TRICARE Retiree Dental Plan to OCONUS retirees -- delegates did not prioritize the issue – not clearly articulated.
- 2 SEP 04 : 8th Army submitted this issue directly to the DA AFAP GOSC.
- 16 NOV 04 Accepted into the DA AFAP by the GOSC.

SITES Improvement

Issue. Originally identified as “Non-Command Sponsored Children Limited Access to DoDDS”. The focus of the issue is increasing information dissemination using Standard Installation Topic Exchange Service (SITES) and CONUS levy briefs to emphasize the disadvantages of bringing family members to Korea in a non-command sponsored status.

Origin. Eighth Army AFAP Conference - 12-13 MAY 03

End State. Individuals have accurate and sufficient facilities support information readily available to make informed decisions concerning bringing families to Korea.

Status.

- G** ✓ AR 608-1, ACS Center requires a Relocation Assistance Coordinating Committee (RACC) meet quarterly (at a minimum, members from ACS, housing, transportation, finance, military personnel, civilian personnel and medical treatment facility). DoDDs and other appropriate agencies will be invited to attend the quarterly meetings.
- ✓ Developing a memorandum from Director, KORO to Area Commanders (Complete 20 OCT 03) directing installations to review and update SITES information and ensure assistance is effective and responsive to the needs of the Army Family. (Complete 30 JAN 04)
- ✓ KORO ACS will review the SITES information to ensure standardization and DoDDs information is provided. (Complete FEB 04)

8th Army Well-Being Issues

Taken off the W-B Scope Since
Last GOSC

2.2.2.8

Distribution TA-50

Issue. Issued TA-50 is inadequate due to lack of standard distribution. Not all MOS's are issued the same TA-50 upon arrival to their current duty assignment. This causes an increase in non-combatative related injuries, such as cold and heat injuries. Soldiers must spend their own money to purchase adequate TA-50 to accomplish their mission.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. Mandate appropriate issuance of TA-50 to all Soldiers in accordance with their area of assignment regardless of MOS.

Status.

- G** ➤ FEB 2004's OCIE menu consolidation transformed more than 100 different menus to 1 basic or common menu and 12 specialty menus that support specific MOS's.
- Standardized menu allowed for elimination of obsolete items, increase in inventory of core items and items the soldier actually needs, and eliminated inventory management of obsolete items.
- Process established for menu requirements determination:
 - IMA KORO's Area Customer Service Points issue complete Organizational Mandatory Items List (OMIL) and specialty sets.
 - OMIL outfits soldiers throughout the peninsula with the same equipment, regardless of where they are stationed or transferred and provides CDR's the assurance that soldiers are equipped and ready for battle.

Resource Impact. None.

Commissary Items at Remote Sites

Issue. Remote locations with *AAFES Shoppette Plus* are only authorized 100-150 DECA items; some of which are not replenished frequently or not available at all. Customers are forced to purchase items, such as soda, and macaroni & cheese, at higher AAFES prices, or are forced to drive or take alternate transportation to locations with commissaries. This causes increased financial hardship, such as gas, toll prices, vehicle maintenance, and time.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. Replenish DECA inventory at *AAFES Shoppette Plus* frequently, to ensure items are well stocked. Conduct a semi-annual survey on DECA items needed/wanted at remote shoppette sites. Increase DECA items in *AAFES Shoppette Plus* and ensure it includes commonly used consumables such as sodas.

Status.

- G** ➤ AAFES will survey every 6 months to the top 100-125 items soldiers want are stocked.
- General Managers will check monthly to ensure the items are at least 85% in stock.
- Except for a few basic items, like merchandise available from AAFES will not be offered as a shoppette-plus item.

Resource Impact. None.

Command Education Policy

Issue. Commanders are not required to establish an education policy that addresses the recoupment of tuition assistance. Soldiers are forced to withdraw (dis-enroll) from command approved courses due to mission related tasks. When they do not receive a waiver, Soldiers endure financial hardship, loss of education, career advancement opportunities, and the Army suffers possible retention problems.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. Mandate education centers to provide commanders with enrollments, grades and withdrawals (dis-enrollments) periodically. Include TA brief at Commander's/1SG's course .

Status.

- G** ➤ 14 May 04 Modern Education Management Information System (mEDMIS) enabled education centers to provide commanders with action memos on all course failures and withdrawals.
- KORO ACES has developed a Tuition Assistance POI which will be presented at the Commander's/1SG course starting NOV 04.

Resource Impact. Increased TA Funding

Blocked Internet Service Providers (ISPs) on Personal Computers Overseas

Issue. Personal computers, which require local ISPs overseas, are blocked from military professional development sites. The availability of military computers that have access to these sites are limited. Soldiers are not receiving the full benefits of professional development opportunities.

Origin. Eighth Army AFAP Conference – 26-28 APR 04

End State. Emplace a link access to professional development sites with AKO authentication. Provide free access to military professional development in barracks. Incorporate computer regulation into CTA 50-909.

Status.

- A** ➤ 20 AUG 04 RCIO-K sent out data call to Libraries, Recreation Centers, CPACs, Area In-processing Centers, Area Army Lodges, and Pear Blossom Cottages if they would sponsor an AKO Lab. 15 Libraries have requested LABs.
- 07 SEP 04 ITEC4-W Contacting for O & M of AKO Labs Completed. Hired 2 Contractors to maintain Phase-I & Phase-II AKO LABS.
- 30 OCT 04 Identify 20 Spouse Friendly Locations that will host additional AKO Labs.
- 01 NOV 04 Request Site survey of AKO Lab Locations.
- JAN 05 Complete Site Survey. Order Bill of Materials & Furniture.
- MAR 05 Start Power Upgrade to Sites & install furniture, LAN, & PCs.
- APR 05 Anticipated start of AKO Labs at completed sites.
- APR-JUL 05 Open Labs as Sites are completed.
- Sponsors can authorize spouse for an AKO guest account.

Resource Impact. FY 04 500K Congress Plus up, RCIO-K 500 man hours, Anticipated \$500K for FY 05 O & M, Estimated \$ 200K for Install & \$ 300K for continued Contracted Support.
