Land Partnership Plan / Special Planning Initiative

Consolidate to enduring installations

Current:
Multiple Installations

**A
ROK-US
Solution**

~85% Reduction in Installations

- Force Protection
- Readiness
- Efficiencies
- Quality of Life

Future:
2 Installations

Return Land to Korean Government

Align installations / units with future requirements

- Consolidate units in better positions to support warplans
- Improve & protect training areas

What Can You Do?

- **Soon after arrival, conduct an office call / in-briefing with your Garrison Commander**
- **Encourage your Soldiers and family members to participate in the activities of the community**
- **Provide feedback – on how we're doing and what your Soldiers and families need**
