MEMORANDUM FOR ALL WIGHTMAN NCO ACADEMY ASSIGNED SOLDIERS

SUBJECT: Commandant's Policy #15, Vehicle Registration

1. The current policy for vehicle registration is as followings:

a. Military personnel who are not command sponsored in Area 1 are not authorized to possess or operate a private vehicle, owned, rented, leased, borrowed or otherwise, without the specific approval of the Commander, Area 1. Individuals who have a POV properly registered elsewhere in Korea at the time of their assignment to an organization within Area 1 will not be denied their authorization to possess a POV; however, their authority to operate the POV in Area 1 may be restricted.

b. Personnel who are serving a "command sponsored" two year tour with families residing in Yongsan will not be required to request permission to operate/own a vehicle in Area 1. The vehicle must be registered at the Yongsan Vehicle Registration Office and its principal use must be for the Yongsan area. Infrequent visits to Area 1 by the sponsor or spouse do not require permission under the provisions of this policy.

d. All personnel assigned to Camp Jackson who own a vehicle must register it with either the CRC or Yongsan Provost Marshal.

2. All personnel who require an exception to policy letter must request this through the Commandant to the Area 1 Commander. Personnel registering vehicles must provide the Academy First Sergeant with a copy of the registration within 24 hours of completion of registration. A copy of the approved exception to policy letter must also be provided if required.
