ROK/US JOINT MILITARY FREQUENCY COMMITTEE

***This regulation supersedes UNC/CFC/USFK Regulation 105-25, 12 November 1982.**

For the Commander:

DAVID P. VALCOURT.
Lieutenant General, USA
Chief of Staff

LEE, JONG SEON
LTC, ROKA
Adjutant General, UNC/CFC

Official:

ANDREA. A. WILLIAMS
Captain, AG
Chief of Publications and
Records Management

Summary. The overall goal of the Joint Military Frequency Committee (JMFC) is to ensure that all equipment requiring the use of the radio frequency spectrum can operate successfully with the minimum interference through close coordination between Republic of Korea (ROK) and U.S. military forces and the ROK civilian frequency assignment authority.

Summary of Change. This document has been minimally changed. A full review of its contents is not required.

Applicability. This regulation applies to United States Forces Korea (USFK) Military Service members and Federal Government civilian personnel who are either in an assigned, attached, or temporary duty (TDY) to the following commands: United Nations Command (UNC); UNC-Rear; Republic of Korea-United States Combined Forces Command (ROK-US CFC); Headquarters (HQ) USFK; Joint United States Military Affairs Group-Korea (JUSMAG-K); Special Operations Command-Korea (SOCKOR); Headquarters, Command Naval Forces Korea (CNFK); Marine Forces, Korea (MARFOR-K); Special United States Liaison Activity Korea, (SUSLAK); and National Geospatial Intelligence Agency (NGIA). This regulation also applies to any non-government personnel contributing to the aforementioned commands.

Supplementation. Issue of further supplements to this regulation by subordinate commands is prohibited unless prior approval is obtained from HQ USFK, J6 (JFMO), Unit #15237, APO AP 96205-5237, or E-mail at jonesdoe@korea.army.mil.

Scope. This regulation is applicable to the UNC, ROK/US Combined Forces Command (CFC), USFK, Eighth United States Army (Eighth Army), ROK Forces, and any other military agencies assigned to Korea as prescribed in the ROK/US JMFC agreement of 16 June 1972.

Forms. USFK forms are available at http://www.usfk.mil/usfk/Publications/Publication_Records_Forms.htm

Records Management. Records created as a result of processes prescribed by this regulation must be identified, maintained, and disposed of according to the governing service regulation.

Suggested Improvements. The proponent of this regulation is USFK, J6 (JFMO). Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) to USFK, J6 (JFMO), Unit #15237, APO AP 96205-5237, or E-mail at jonesdoe@korea.army.mil.

Distribution. Electronic Media Only (EMO).

Section I GENERAL

1. PURPOSE. This regulation implements the operation of the ROK/US JMFC IAW the ROK/US JMFC agreement dated 16 June 1972 and outlines responsibilities concerning the allocation of frequencies in the ROK military/USFK areas of operation.

2 REFERENCES.

a. USCINCPACINST 2400-1F (U.S. Pacific Command Joint Electromagnetic Spectrum Management Instruction (USPACOM JESMI)).

b. ROK/US Joint Military Frequency Committee Agreement, 16 June 1972.

3. ABBREVIATIONS. Abbreviations used in this regulation are located in the glossary.

4. RESPONSIBILITIES. The JMFC is responsible to the ROK JCS J6 and USFK ACofS, J6 for accomplishing the following:

a. Assignment, utilization, and control of frequencies used by all UNC, CFC, USFK and ROK military agencies.

b. Coordination of all frequencies requiring full protection from harmful interference with the Frequency Policy Division, Radio and Broadcasting Bureau of the ROK Ministry of Information and Communication (MIC) using THQ Form 4008 (Frequency Registration).

c. Preparation and maintenance of up-to-date blocks of frequencies for issue to tactical units on a noninterference basis.

d. Receive and process interference reports from all military forces in Korea and the ROK MIC. Task appropriate action through designated channels to prevent or eliminate harmful interference to telecommunications within the territorial boundaries of the ROK.

e. Interpretation of frequency propagation charts to select the best usable frequencies for a given time.

f. Maintenance and administration of records and files required to facilitate a smooth transition from peacetime to full wartime operations.

g. Frequency coordination in electronic warfare exercises.

h. Submission of required reports on frequency matters.

i. Organization of correspondence, directives, and other documents on frequency matters.

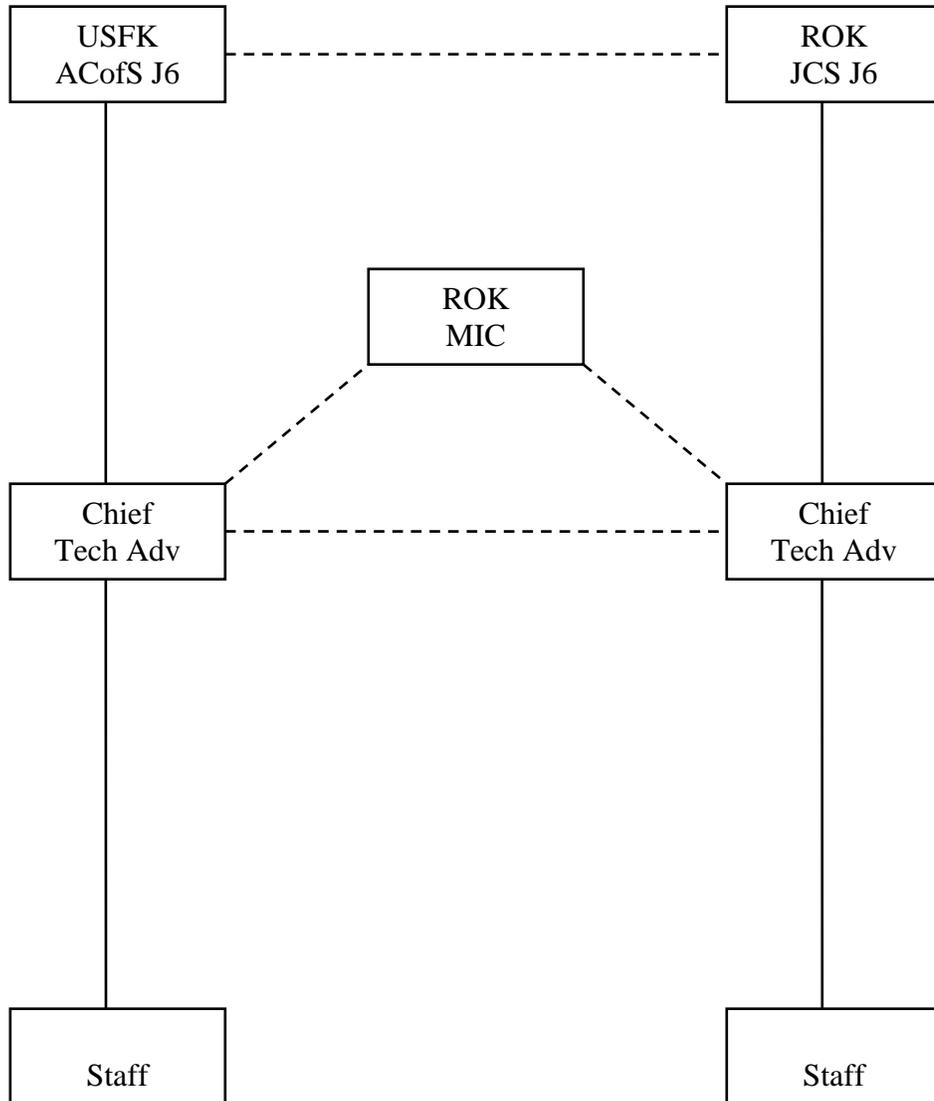

Section II
ORGANIZATION AND SECURITY

5. ORGANIZATION. The JMFC consists of a minimum of two ROK and two US members. The ACoS, J6 from ROK JCS and from USFK will be co-directors. The co-directors will each designate one ROK and one US member respectively to serve as their chief technical advisor. Each chief technical advisor will retain his/her own technical staff. All matters concerning utilization will be handled on a common basis by members of the JMFC. The JMFC will be organized as indicated in Appendix A. The two chief technical advisors are authorized managerial control over all frequency matters with the exception of matters dealing with policy and procedures which must be approved by the co-directors.

6. SECURITY. All members of the JMFC will possess a minimum of a SECRET security clearance from their respective country.
