6. Pets are an integral part of many households. However, pets in dwelling units can be problematic. The following rules concerning pet ownership will apply:

a. Occupants of government quarters are prohibited from owning and housing exotic pets and domestic farm animals within their government quarters.

b. Pet ownership in enlisted quarters is forbidden. The only exception to this policy is for units that have a unit mascot (such as a dog). It is the chain of command's responsibility to ensure that mascot animals receive proper housing and care.

c. Pet ownership in Unaccompanied Personnel Housing (UPH) to include Senior Leaders Quarters (SLQ) is forbidden. Exceptions can be made for small aquariums (not to exceed 20 gallons in size). The UPH Manager will process requests to have an aquarium in UPH units. Applicants will provide a plan for the care of the fish and aquarium creatures during times of absence, and a disposal plan for when the owner leaves.

d. Pet ownership in Family Housing may include two pets (cat/dog), and no more than four (4) caged animals or birds. Aquariums are allowed but may not exceed 50 gallons in size.

7. The following rules apply to dog owners:

a. Dogs will be leashed and controlled by an individual 12 years of age or older whenever dogs are outside of an owner's dwelling unit.
