Instructions on how to call
phone numbers in USAG-
Humphreys Korea

CALLING DSN NUMBERS
FROM STATE SIDE

- To call Korea from the US:
011-82 + area code minus '0'
number
 - o 011-82-31-619-XXXX (for a
754 prefix)
 - o 011-82-31-690-XXXX (for a
753 prefix)
- USFK information from the
U.S. (commercial): 011-82-2-
7913-1110 or 1113
- The area code is not
needed for local calls, unless
using a cell phone.
- To call a commercial
number from a DSN line, first

dial '99'.

- Do NOT accept collect calls
on a DSN line.

INTERNATIONAL PHONE
NUMBER

- 011 + Country Code + City
Code + Number
 - o 011 = International call
from the U.S.
 - o 82 = Country Code
 - o City Code:
, Buson = 51
, Daegu = 53
, Seoul = 2
, Pyeongtaek/Osan = 31
, Cell phones = 10 or 11
 - o Number is typically an

eight digit number
Google: "South Korea
Telephone country codes"
for more city codes.

CALLING KOREAN CELL
PHONE NUMBERS FROM THE
US

- To call a cell phone, if the
number is "010-1234-5678"
Dial, 011-82-10-1234-5678
- Cell phone prefixes are 010
or 011, drop the first number
in the three digit prefix
before adding it to "011-82"

ABOUT CELL PHONES

- American mobile phones
do not work in Korea. There
are some cell phones that
may be converted to use
back in the US. Buy a used
cell phone from someone
who is leaving or at one of
the many stores outside the
walk-through gate. New cell
phones may be purchased at
the shops in the PX, USO or
off-post. Make sure the
model you purchase has an
English display option.
- Cell phone belong to their
own network (011, 016, 019,
etc), so you must always us
the prefix or area code when
calling to or from a cell
phone.
- To use the phone, buy pre-
paid calling cards at phone

purchase locations, minimum 10,000,, which is good for 30 days. Any amount remaining at the end of that period will expire unless more time is purchased for the phone. The remaining balance will then roll over and be added to the new purchase. If the phone is not reprogrammed with call time within 30 days the phone number will expire and it will have to be sent in to be refitted with a new number.

ABOUT VOIP (Voice Over Internet Protocol)

- VOIP services like Vonage, Broadvoice, MagicJack and Skype will not work with the local ISP provider on post (post housing).
- These services did work off post depending on the quality of service and broadband speeds.
