The Army Traffic Safety Training Program

➢ All Basic Rider Courses (BRCs) and Basic Rider Courses II (BRC II) are held at Camp Humphreys.

➢ BRCs registrants must complete the entire registration process, (regardless of rank) the supervisor's portion must be filled out on the registration site.

➢ If you’ve registered in a standby status this does not guarantee you a seat.

➢ Reporting time for the BRC is 0800 hrs if you are 15 minutes late you will be replaced with someone on the standby list or dropped from the course.
The Army Traffic Safety Training Program

**BRC II**

- The motorcycles that will not be allowed to take this training and will have to attend the Military sport bike rider course (**MSRC**).
