Dr. Martin Luther King, Jr. Birthday
Observance Message

In celebrating the birthday of the Reverend Dr. Martin Luther King, Jr., Eighth Army honors an American who made it his life's purpose to fight for justice, freedom, equality, fairness, and reconciliation.

The Reverend Dr. Martin Luther King, Jr., dedicated his life to a vision: that all Americans would live free from injustice and enjoy equal opportunity. Dr. King advocated for an America where our opportunities are limited only by the content of our character. His strong, peaceful, and lifelong crusade against injustice brought our nation closer.

We encourage Soldiers, Civilians, and Family members to remember the immense promise of liberty that lies at the foundation of our great Republic, the responsibility it demands from all of us who claim its benefits, and the many sacrifices of those who have come before us. Today, as we come together to honor Dr. King, we know that America is stronger because of his life and work.
