In accordance with the Yongsan Relocation Plan, USFK HQs will relocate to CP Humphreys, and USAG-Yongsan will collapse into a small residual installation.

Facilities are largely complete and ready for occupation at USAG-H.

To make room for a ROK national park and urban development in Seoul, the CDR directed accelerated HQs relocation to the maximum extent possible.

Planning imperatives:
- Balance strategic / political risk with operational / tactical risks
- Generate a high degree of staff cohesion
- Reduce stress on the force and families
- Limit costs
UNC / USFK HQs T&R Concept of Operations

Current State

Registering a POV(s) at USAG Humphreys when transferring-in from another Area

Step 1: Visit your current area of assignment DBIDS/Vehicle Registration Office (VRO) to out-process.
- Current Area VRO annotates on USFK Form 207 and USFK Form 32EK (Registration Form and Cancellation Form) that the vehicle(s) are “Transferred to USAG Humphreys”.
- The vehicle(s) DBIDS registration decal will expire in 10 working days of PCS.
- All vehicle documents are given to the person transferring to USAG-H in order for them to in-process at the new Area’s Department of Motor vehicles (DMV) and DBIDS VRO (within 10 working days).

NOTE: All traffic fines must be settled in the current Area before transferring vehicle to USAG Humphreys.

Step 2: Visit the USAG Humphreys Vehicle Registration Office and Department of Motor Vehicles located in the same office One Stop Building #6400 room G101, on-post (within 10 working days).
- DMV transfers vehicle registration from losing area of assignment to Pyeongtaek (USAG Humphreys) and issues new Pyeongtaek ROK Vehicle Registration document.
Registering a POV(s) at USAG Humphreys when transferring-in from another Area (con’t)

Step 3: Re-register vehicle in DBIDS and update vehicle registration decal IAW sponsor's DEROS
- Registering vehicles in DBIDS at the VRO is mandatory for assigned personnel
- DBIDS Registration at USAG Humphreys also includes updating the Sponsor’s new unit of assignment, DEROS, family data and contact information.

NOTE: Transferring multiple POVs: Pyeongtaek DMV will initially grant registration/transfer of one (1) POV from the losing Area. Prior to registering additional POV(s) in Pyeongtaek (USAG Humphreys), the sponsor must first obtain an approved exception to policy for additional SOFA POV registration from the USAG Humphreys Garrison Commander (IAW USFK Regulation 190-1; Motor Vehicle Traffic Supervision) Sponsor’s may obtain a Temporary Vehicle Pass (USFK Form 192EK) for their additional POV(s) from the VRO (Bldg. 6400, One-Stop) in the event their DBIDS vehicle registration decal expires prior to obtaining an approved exception to policy.
Local Nationals Transfering to USAG Humphreys within an Organization

Transferring Sponsoring Organization for all non-DoD personnel who require a DBIDS-produced USFK Form 37EK (AUTO) Installation Pass to gain access to USFK installations must be an U.S. organization assigned to, attached to, or supporting USFK. The sponsoring organization must request access to the specific installation(s) or area(s). Transferring Organization are recommended to submit the USFK form 82E as soon as possible but no later than 45 days prior to the arrival of the LN employee to the USAG Humphreys area.

Non-SOFA Vehicle Access. Sponsoring individuals/organizations and approval authorities will ensure that requests for privately owned vehicle (POV) access to USFK installations provide documentation to meet the minimum vehicle registration requirements of Korean road and traffic law and USFK policy (USFK Regulation 190-1). Employment is not a condition that automatically grants installation access of POVs. A POV may be owned and registered by civilian employees in the grades of GS-5, KGS-4, WG-5, WL-2, WS-1, NA-5 and CC-3 or equivalent and above; USFK technical representatives; and USFK Invited Contractors.
